DEDICATION

We, the 1968 Paseon Staff, would like to express our most sincere appreciation to Miss Hortense Schaller our senior counselor, by dedicating to her the 1968 Paseon.

We have grown to admire and respect Miss Schaller who has diligently helped us with our education throughout the years.

As we, the class of 1968, pursue our different ambitions, we hope that other classes will benefit from her guidance as greatly as ours.

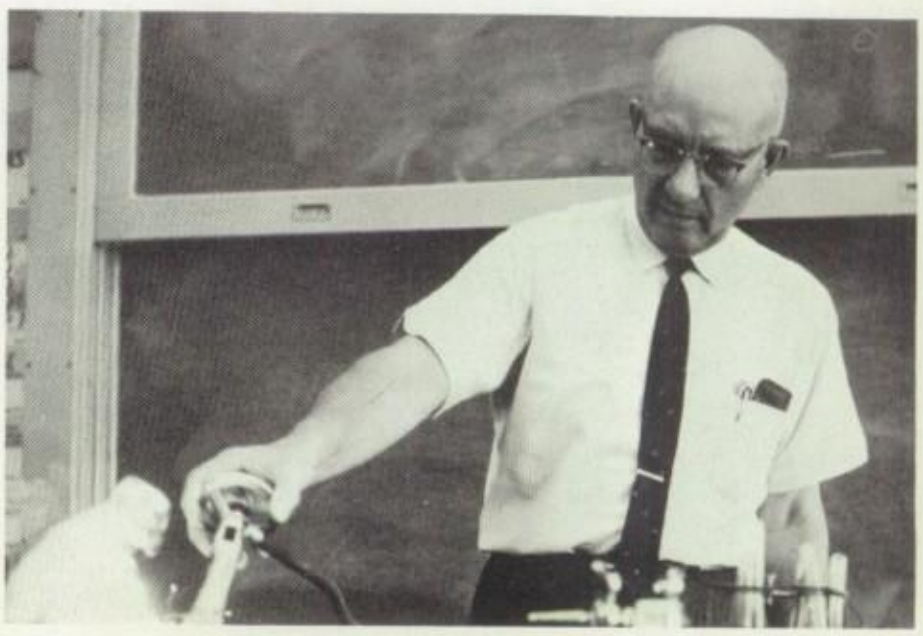
The beginning of another busy day ...

... and ending on a merry note.

Are we playing blind man's bluff again?

Oh, no! Could this be music?

Come back, I didn't mean it!



It's a happy fizzies party!

ORGANIZATIONS

Dear Friends:

It has already been one year since I came to the United States. It has been a year with many experiences and a lot of fun. I came from a country which is half way around the world; I left my family and my friends and I came here, being by myself for the first time and having the responsibility of my own actions.

Here, in this unfamiliar country I stayed with a new family which not only took good care of me, but also treated me as a real member of the family and shared with me the happy and sad events.

Although the school system here is different from the one in Greece, it was easy for me to adjust to it because my teachers helped me very much.

I also appreciate the privilege of being in many different classes because I had the opportunity to get to know you better and I made many good friends.

This year taught me many things. I learned how to be more open-minded, how to realize the reasons for the differences between my country and other countries and how to see always the two sides of a problem.

This year also taught me that all the people around the world are basically the same and it takes only some knowledge and some good will to realize that we are all members of the same family and that we should join together in our efforts for a peaceful co-existence and a better future for the world.

American Field Service (AFS) is playing an important role in achieving a better understanding among the people of the different countries.

I want to thank you all very much for making it possible for me to be in the A.F.S. program and have this wonderful year in U.S. and at Paseo.

I will return to Greece in a short time to be with my grandmother. Then I will join my mother in Johannesburg, Africa and will attend the University of Johannesburg.

Good luck to you always.

Your Greek friend,

Lena

MIDTOWN YOUTH COUNCIL

"Tonight's session of Midtown Youth Council will now come to order."

This is how Midtown Youth Council is called to order. It will either be a business meeting or a court session. The business meetings consist of planning for upcoming social events, explaining court procedures and discussing previous cases. On court nights 12 member jurors review the cases and decide what punishment the defendants deserve for their violation. The defendant signs an honor pledge to obey the decision of the jury. The purpose of this punishment is to promote careful and considerate driving among teenagers.

A Varsity Cheerleader must have numerous skills. She must not only be peppy, loyal, and skilled in acrobatics, but she must also maintain a 2.5 grade average. It is the cheerleaders job to be at all the games on time and to keep the pep club orderly. At school, the cheerleaders are in charge of presenting pep rallies before big games in order to boost the morale of the players and the student body.

Paseo's 1967 homecoming week came to a climax with the game and dance held the weekend of Nov. 3-4. At the game, half time was highlighted by a parade around the track of several lavishly decorated cars led by the queen candidates who were: **Top:** Miss Mandi Ewing, Miss Shirley Reed, Miss Jeanette Hill, Miss Carmen Hubert, and Miss Patricia Wells.

At the dance, Miss Mandi Ewing was chosen to reign as the 1967 Queen. The middle picture shows Mandi shortly after being crowned by Mr. Curtis and the picture to the right shows Paseo's somewhat dazed Homecoming Queen dancing with her escort.

Shootin' Match"

Under the direction of Miss Alfreda Bock, the Drama Workshop presented "The Whole Darn Shottin' Match," a three act farce about a small, New York agency who brings an unknown liquid detergent ("Easy"–the all purpose detergent) to prominence and then finds itself being squeezed out by the new management who wants to expand nationally and turn the account over to a big Madison Avenue agency.

"TEA POT ON THE ROCKS"

Sharon Harris, Lena Corelli, Ben Newell, Sheila Lawrence.

THE CRUCIBLE by Arthur Miller is a drama about Puritan purge of old Salem. The story focuses upon a young farmer, his wife, and a young servant-girl who maliciously causes the wife's arrest for witchcraft. The farmer brings the girl to court to admit the lie–and here, in this trial scene, is the big moment. It is a thrilling, bloodcurdling, terrifying scene as it depicts the monstrous course of bigotry and deceit. The farmer, instead of saving his wife, finds himself also accused, imprisoned, and condemned.

SORRY, WRONG NUMBER by Lucille Fletcher is the tale of a neurotic invalid, whose only contact with the outside world is her phone. Over this, one night, because of a crossed wire, she hears plans for a murder, which turns out to be her own. Her frantic efforts to enlist help through the only means at her disposal, her growing terror and realization of the truth, and (along the way) the hints about her own life and personality she lets drop, make this a full character portrait not only of herself, but of the unseen murderer whose identity and motivations are surmised but never revealed.

TEA POT ON THE ROCKS by John Kirkpatrick tells of a young girl who does not wish an unimportant thing like marriage to interfere with her "career" of running a tea-room. She therefore forces a young man to hope and pray that the tea-room will fail. Then comes the young man's chance–to assist it to fail. But he turns in and helps and his good sportsmanship carries the day.
